Driver

Description

Pierview Academy is on a journey to become a "Good" school. This is an exciting time as we are growing both in numbers of pupils and in our positive reputation.

Pierview Academy provides continuity in learning for pupils with Education, Health and Care Plans. We are a short, medium and long-term provision for learners on the autistic spectrum or who have other special educational needs and challenging behaviour. We cater for young people in their secondary and post-16 school years. The overarching purpose of our provision is to work with learners so that they are able to overcome the barriers to learning that they have previously encountered. We aim to offer flexible, structured and supportive needs led approaches.

We are looking for a driver to drive the company vehicle, providing an efficient, reliable and quality service in accordance with safety legislation and the schools policies and procedures.

The purpose of driving will be home to school transport and transporting both staff and learners to various learning activities during the school day.

Interested candidates are requested to apply online or by email for this post. To download the application form please visit www.alpschools.org and email completed applications to david.cowell@alpschools.org . Alternatively apply via [Indeed.com](https://www.indeed.com)
