

Our Child friendly safeguarding policy

 
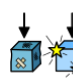

What is safeguarding?

           
The adults around you think about your health, safety and welfare which are very

important.

           
In our School we respect you and will help to protect your rights.

        
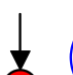

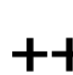

We do our best to help you make good progress.

           
We will teach you how to recognise risks in different situations, and how to

    
protect yourself and stay safe.

     
How we will try to Protect you

       
We aim to provide a safe environment for you to learn in

          
We want to help to ensure you remain safe, at home as well as at

school.

We

think

it's

important

to

know

where

to

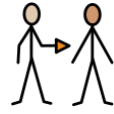

get

help

if

you

are

worried

or

unhappy

about

something.

Need to

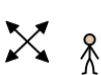

talk?

You can

talk to

any

adult

in school,

but

Donna's

job

is to

make

sure

everyone

feels

happy

and is

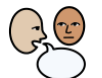

safe,

if you

want to

talk to

her.
